Administration

ACH Routing Number Available

The FTA has updated the payment instruction file to include ACH routing number to help clear some confusion when submitting an ACH payment with the wiring information routing number. The updated wire instruction can be found [here](#).

Please note, **we recommend lenders use caution when using ACH for any secondary market loan activities as delays in the receipt of funds by FTA attributed to ACH processing timeframes may result in late penalties or adjusted interest obligations.**

If you have questions relating to 1502, please email 1502@sba.gov. For general questions, please contact the FTA Customer Service Team at FTA@sba.gov or via the toll-free hotline at (877) 470-0722.
