1112 payment status updates available on FTA Wiki

To help inform lenders on the status of monthly 1112 payments, the FTA updated the [Wiki](#)'s Program Information section to reflect the latest status. When date of payment is known, we'll update the Wiki with this information, so lenders know when to expect to receive 1112 payments.

For general questions, please contact the FTA Customer Service Team at FTA@sba.gov or via the toll-free hotline at (877) 470-0722.
