## **CARES System Maintenance Planned for Labor Day Weekend**

This is a notification that SBA's Capital Access Financial System (CAFS) will be offline for system maintenance associated with the FTA migration. The maintenance was scheduled to occur during non-business hours to minimize impact to industry.

The outage will occur on Saturday, September 4 from 3PM – 7PM. During the outage users will not be able to access CAFS or associated applications.

If you have any issues that have not yet been escalated to the FTA Customer Service team, please connect via email at [FTA@SBA.gov](mailto:FTA@SBA.gov) or the Customer Service Hotline at (877) 470-0722.
